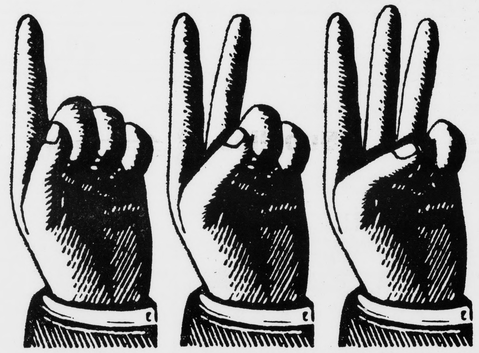
Three more good reasons!



6½% annual interest on our $1,000 minimum, one-year savings certificates

6¾% on our $1,000 minimum, 30-month certificates.

7½% on our $5,000 minimum, 4-to-5 year certificates

Whichever of our certificate plans suits your individual savings needs best, you can always be sure of two things:

1. Your money will be earning the highest interest rate possible anywhere on insured savings.

2. Your savings will be safe — insured up to $20,000 per account by an agency of the federal government.

As you probably know, the law requires a substantial interest penalty for early withdrawal of certificate savings, but that's true of all financial institutions. At First Federal, the big difference is our higher rate of return —and our friendly, down-to-earth people who are ready to serve you.

There is a Drott Model 40 Feller-Buncher that shaves the tree off, picks it up and lays it in piles then a grappled rubber-tired skidder picks up the trees and takes them to the machine for the final operation.

Westvaco will be logging in this area for some time for various property owners.

The operation is very interesting to watch but could prove to be quite dangerous in unauthorized areas.
